Date of birth [redacted]

The Award

Name of award Graduate Certificate in Cyber Security

Detail

The Graduate Certificate of Cyber Security is a postgraduate award consisting of 24 UOC. It is taught in English and normally takes 7 months of part-time study. The qualification is located at Level 8 of the Australian Qualifications Framework. For more information see the university's program guide at www.handbook.unsw.edu.au. Candidates for admission to the program require a Bachelor degree in a relevant discipline, or other approved equivalent academic or professional qualifications.This program provides graduate education in foundational cyber security knowledge and skills.

Pathway to further study

Graduates have access to a range of Graduate Certificates, Graduate Diplomas and Masters degrees.

Awarding Institution

The University of New South Wales (UNSW Sydney/UNSW Canberra) is a public university, established in 1949 under legislation passed by the Parliament of New South Wales. It is a member of The Group of Eight (Go8) coalition of Australian universities, intensive in research and comprehensive in general and professional education. The University is listed as an Australian University on the Tertiary Education Quality and Standards Agency's National Register of Higher Education Providers. The University's Commonwealth Register of Institutions and Courses for Overseas Students number is 00098G. For additional information about the University of New South Wales see www.unsw.edu.au.

Certification

Professor Merlin Crossley
Deputy Vice-Chancellor Academic Quality
23 SEPTEMBER 2022

The Australian Higher Education Graduation Statement is provided by Australian higher education institutions to graduating students on completion of the requirements for a particular higher education award. It provides a description of the nature, level, context and status of studies that were pursued by the individual named. Its purpose is to assist in both national and international recognition of Australian qualifications and to promote international mobility and professional recognition of graduates.
